Statement of Work - Tax Exempt Returns and Filings

This agreement constitutes a statement of work (“SOW”) under the master service agreement (“MSA”) dated July 19, 2024, or any superseding MSA, made by and between CliftonLarsonAllen LLP (“CLA,” “we,” “us,” and “our”) and Lawyers Concerned for Lawyers (“you,” “your,” or “the organization”). The purpose of this SOW is to confirm our understanding of the scope of services, responsibilities, limitations, and related terms of our engagement for the year ended June 30, 2025.

Our responsibility to you

We will prepare the entity's federal and state returns and filings as defined herein in accordance with the applicable tax laws. We will use our judgment in resolving questions where the law is unclear, and where there is reasonable authority, we will resolve questions in your favor whenever possible.

We will not audit or otherwise verify the accuracy or completeness of the information we receive from you for the preparation of the returns and filings, and our engagement cannot be relied upon to uncover errors or irregularities in the underlying information.

Your responsibilities

It is your responsibility to provide us with all of the information needed to prepare complete and accurate returns and filings. We will have no obligation to prepare the returns and filings until you have provided such information to us. It is your responsibility to comply with all foreign jurisdiction filing requirements. We have no obligation to prepare returns for foreign jurisdictions.

CLA requires that you provide information 60 days prior to the filing deadline. If you provide information after that date, we may be unable to complete the return(s) by the original filing deadline and may need to file an extension. If an extension is filed and information is not provided by 60 days prior to the extended filing deadline, we may be unable to complete your return(s) by the extended due date. Failure to timely file your return(s) or to file for an extension can result in penalties which can be substantial.

The United States Supreme Court ruled in *South Dakota versus Wayfair* that physical presence is no longer required to establish nexus for sales tax. This ruling may have broad implications, even beyond sales tax, as to where an entity is subject to tax. Please note that if the entity had a taxable presence in more than one jurisdiction, such as an employee or agent within the jurisdiction, any tangible property owned or rented within the jurisdiction, or if the entity exceeds any applicable economic nexus thresholds, the entity, its owners, or related entities may be subject to state or local income, sales, use, franchise, or gross receipts tax in that jurisdiction depending upon the particular facts. It is the entity's responsibility, not CLA's, to

determine if assistance is needed in deciding whether the entity, its owners, or related entities may be liable for income, sales, use, franchise, or gross receipts tax, or have a filing requirement in the various state or local jurisdictions.

It is important for you to identify any ownership OR signature authority over a foreign bank account or other foreign financial assets which includes but is not limited to foreign: stocks, mutual funds, partnerships, bonds, retirement accounts, estates, trusts, annuities, swaps, and derivatives. Failure to disclose penalties can be significant, starting at \$10,000 and can be upwards of 50 percent of the value of the asset. Please provide account statements if you have any foreign account ownership or signature authority. Note that these rules do not apply to foreign investments held by U.S. mutual funds. In addition, ownership in a foreign business entity (association, corporation, disregarded entity, or partnership) could trigger additional U.S. foreign informational reporting requirements. These reporting requirements require the disclosure of ownership, financial information, and related-party transactions. Failure to properly disclose ownership, related-party transactions, and the required information could trigger a penalty of up to \$25,000 penalty per filing. We cannot be held responsible if you fail to identify or provide such information to us.

For all nonattest services we may provide to you, including these tax services, management agrees to assume all management responsibilities; oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience to understand and oversee the services; evaluate the adequacy and results of the services performed; and accept responsibility for the results of the services. Management is also responsible for ensuring that your data and records are complete and that you have received sufficient information to oversee the services. You are responsible to carefully review the returns and filings that we prepare on your behalf before they are signed and submitted to tax authorities. We will advise you with regard to tax positions taken in the preparation of the returns and filings, but the responsibility for the returns and filings remains with you.

Section 174 capitalization requirement

For tax years beginning after December 31, 2021, research and experimental (“R&E”) expenditures under IRC Section 174 are required to be capitalized and amortized. In the case of domestic R&E expenditures, the amortization period is 5 years, and in the case of foreign R&E expenditures the amortization period is 15 years. In order to comply with the law, your R&E expenditures under Section 174 must be identified and properly categorized. Should an accounting method change requiring a Form 3115 or equivalent statement be required, a separate Statement of Work for these services will be required.

Beneficial ownership information reporting

Beginning in 2024 under the Corporate Transparency Act (CTA), certain entities organized in the U.S. (including entities that are disregarded for federal income tax purposes) and foreign entities doing business in the U.S. are required to report information to the Financial Crimes Enforcement Network (FinCEN) as to their beneficial ownership. The report must provide each beneficial owner, each company applicant and other required information. Entities subject to the beneficial ownership information (BOI) reporting include a corporation, limited liability company, or any other entity created by the filing of a document with the secretary of state or similar office under state, Tribal or foreign country law. Note that some entities are exempt from the BOI reporting requirements (including many nonprofits and certain large operating

companies).

It is your responsibility to prepare and submit any BOI report to FinCEN that is required under the CTA. We have no obligation to identify any filing requirements or provide any services related to BOI reporting.

Tax examinations

All returns and filings are subject to potential examination by the IRS and state taxing authorities. In the event of an examination, we will be available, at your request, to assist or represent you. Services in connection with tax examinations are not included in our fee for preparation of your returns and filings. Our fee for such services will be billed to you, along with any direct costs.

Record retention

You are responsible for retaining all documents, records, canceled checks, receipts, or other evidence in support of information and amounts reported on your returns and filings. These items may be necessary in the event a taxing authority examines or challenges your returns or filings. These records should be kept for at least seven years. Your copy of the returns and filings should be retained indefinitely.

If carryover item(s) exist (e.g., capital loss, net operating loss, tax credits, etc.), you should retain the supporting records related to the carryover item(s) until the item has either been utilized (and the statute of limitations associated with the year of utilization has expired) or the carryforward period has expired.

In preparing the returns and filings, we rely on your representation that you understand and have complied with these documentation requirements. You are responsible for the proper recording of transactions in the books of accounts, for the safeguarding of assets, and for the substantial accuracy of your financial records.

All of the records that you provide to us to prepare your returns and filings will be returned to you after our use. Our working papers, including any copies of your records that we chose to make, are our property and will be retained by us in accordance with our established records retention policy. This policy states, in general, that we will retain our working papers for a period of seven years. After this period expires, our working papers and files will be destroyed. Furthermore, physical deterioration or catastrophic events may shorten the time our records are available. The working papers and files of our firm are not a substitute for your records.

Tax consulting services

This statement of work also covers tax consulting services that may arise for which you seek our consultation and advice, both written and oral, that are not the subject of a separate statement of work. These additional services are not included in our fees for the preparation of the federal and state returns and filings. Our fee for such services will be billed to you, along with any direct costs.

We will base our tax analysis and conclusions on the facts you provide to us, and will not independently verify those facts. We will review the applicable tax law, tax regulations, and other tax authorities, all of which are subject to change. At your request, we will provide a memorandum of our conclusions. Written advice provided by us is for your information and use only and is not to be provided to any third party without our express written consent.

Unless we are separately engaged to do so, we will not continuously monitor and update our advice for subsequent changes or modifications to the tax law and regulations, or to the related judicial and administrative interpretations.

Our customary billing practice is to invoice up to 50% of the estimated professional services fees upon receipt of your tax return information, or upon the preparation of an application for an extension of time to file your tax return(s) if earlier. We will continue to periodically bill for our time as work progresses.

Our professional fee reflects that, if needed, CLA will provide you with first and second drafts of each return or filing. Additional drafts requested by you may result in additional professional fees.

Additional charges may apply if you request a paper copy of your return(s), your circumstances are complex, changes to the tax law occur, or unexpected circumstances require additional time. We may apply a 20% surcharge (based on prior year invoice) if you do not provide accurate and complete tax information at least 60 days prior to the extended federal filing deadline, and an additional 5% surcharge for each and every two-week period thereafter until accurate and complete tax information is provided.

We will bill for all expenses (including internal and administrative charges) plus a technology and client support fee of five percent (5%) of all professional fees. Our invoices, including applicable state and local taxes, are payable on presentation.

Termination of agreement

Either party (you or CLA) may terminate this SOW at any time by giving written notice to the other party. In that event, the provisions of this SOW and the MSA shall continue to apply to all services rendered prior to termination.

We appreciate the opportunity to provide the services described in this SOW related to the MSA. All terms and provisions of the MSA shall apply to these services.
